

## TWINNING UPDATE (December 2022)

### Twinning Colouring Book

The Pendle-Marl-Creil pages of the Twinning colouring book were emailed out to all primary schools in Pendle, along with information about Pendle Twinning Association. Pendle primary schools were invited to each have a competition where pupils colour in the 3 pages. Each school has been asked to select their best ones and forward them to us by Friday 2<sup>nd</sup> December 2022. We will then collate them and send them on to Marl.

### Visit to Marl

As notified, we have received a kind invite for Pendle Twinning Members to visit Marl from Friday 5<sup>th</sup> May to Monday 8<sup>th</sup> May 2023 inclusive. The Mayor of Marl has arranged a meeting on Saturday 6<sup>th</sup> May where each twin town is supposed to talk about a future project.

### Hosting a Twinning Trip 2023

The Chairman is planning to organise a Members' trip to London in September 2023. Twinning Members from Pendle, Marl and Creil were asked to advise before the next meeting on 7<sup>th</sup> December if they wished to attend.

### Official thanks to David Carter

Photo of the visit by the Vice-Chairman and Honorary Secretary/Treasurer to present certificates from Pendle, Creil and Marl thanking him for the tremendous job he had done as Chairman of the Twinning Committee for nearly twenty years was published in the Leader Times.
