1. Apologies for absence

Apologies for absence were received from Rauf Bashir.

2. Declarations of Interest

None

3. Minutes

The minutes of the last meeting were accepted as a true record.

4. Actions arising from the Minutes.

None

5. Programme Initiation Document

The main points of the PID document were talked through and it was explained how the document in its draft form will be developed to help guide the project.

Discussion was had to determine whether any national guidance had been issued and concerns over losing funding with the change of government.

The Chair mentioned that other LTPT Boards have similar concerns, however felt confident that Pendle has excelled in developing its plans to date.

6. Nelson Long Term Plan

Lauren Newby from Ekosgen provided an update on the progress of the plan and the current stage of the consultation. Looked across nine intervention areas.

A discussion was held around the straplines for the visioning of Nelson.

7. Nelson Long Term Plan Visualisation Update

Mark Foster from Open gave an update on the consultation document with details of the palettes and colours being used, together with details of the formatting.

Mark asked for any feedback on the design to be sent to him by the 12th July.

8. Next Steps including the development of the 3 Year Investment plan.

A discussion was had on some of the suggested interventions and a request was made for feedback to Lauren Newby by the 24th June.

9. AOB

- The Chair thanked Pendle Council Officers for their work.
- It was noted that further consultation is ongoing with an event at Nelson Library.
- It was proposed and approved that Joel Feingolds, from Allsorts Nelson in Pendle Rise Shopping Centre join the Board as a local business representative.
