ISSUE

Premises Improvement Grant Scheme: Background

1. All business premises within the defined town centre boundary were eligible for a 50% grant up to a maximum of £3,000, for improvements to their premises.
2. The grant programme aims to improve the overall appearance of the town centre by assisting businesses to improve premises and encourage the use of vacant properties. The grants scheme is a tool used to encourage private investment in town centre buildings; the outcome of this investment is an aesthetic improvement to the town centre and in turn increases retail and public confidence in the area. The grants can encourage the use of vacant buildings as they can reduce the overall cost of changing the exterior of the building to suit the needs of the incoming business
3. Premises improvement grants are administered by the Economic Development team and promoted via the Council website and within its digital newsletter.
4. Having financial assistance available to businesses can be a contributing factor when making a decision on their business location. This could have a positive impact on vacancy rates in a town and help fill the current vacant properties.

Premises Improvement Grants 2024/25

1. Barrowford has received funding of £3,000 for 2024/25. Four enquiries have been received in 2024/25. One has progressed to application and has been approved for £1,224 and we are awaiting work to be completed before payment.
2. The remaining three enquiries have been contacted and we are informed that they do wish to proceed with an application.
3. Committee agreeing a funding allocation of £3,000 will support the remaining outstanding grant application payment and support one further application in 2024/25.
4. Barrowford continues to show decent interest in the Grant scheme, if more enquiries are received than expected and more funding is required due to further applications in the next year of 2025/26 the Economic Development Team will then provide a further report request such.

Barrowford will continue to be targeted through our digital newsletter in promotions.
