3. **Minutes**

To agree, or otherwise, the minutes of the meeting held on 19th June 2025.

4. **Website**

Discuss what we would like the website to do. Suggestions below:

- Just provide information
- Provide more engagement information around what is happening in Nelson.
- Any other functions that the board would like the website to provide.

Note: It is important to know what the board feels the website should be used for so it can be designed with this in mind. It may require to be reviewed and updated over the 10-year period, and this should be factored into the Regeneration Plans, Management cost etc.

5. **For Information - Documents available from the Government website.**
