

**BID FOR FUNDING FROM AREA COMMITTEE BUDGET
PRO FORMA**

A. Project title: Fountain Street / Zion St Blocking up - Colne

B. Bid submitted by: Phil Riley

C. On behalf of (please include contact details):

Operational Services

D. Amount requested: £2376

E. Is there match funding for the project from elsewhere?
If so, please give details:

No

F. Brief details of project:

There has been several occasions where off road vehicles are using the grassy slope between Fountain Street and Zion Street as a play area causing significant damage to the grass and local aesthetics. Risk of injury to members of the public is high as well as damage like this often encouraging more anti-social behavior

G. Main outcomes to be achieved: To block off the top and bottom of the slope and the install of timber bollards with lockable drop down points at top and bottom. Vehicles will no longer have access bar landscape maintenance

H. When will project be implemented? October / November 2025

Start Date:

Expected Completion Date:

I. Who will undertake the project works? Approved local contractor such as A & G landscapes

J. Are there long-term revenue consequences and how will these be funded?

No consequences, bar reduced cost of having to rectify damage caused by the current situation
