REASON

- (a) The Committee considered the representations of the Licensing Authority, the Police as Responsible Authority and the Premises Licence Holder (PLH) and Designated Premises Supervisor (DPS), via their representative.**
- (b) The Committee accepted that there was evidence of only one underage sale on the premises. There were other young people served with alcohol on the CCTV footage, but no evidence that they were under the age of 18. The Committee did believe, and the PLH/DPS accepted that they looked under 25 and official ID should have been checked.**
- (c) The Committee also took into account that on one occasion, the premises sold alcohol beyond its boundary not in accordance with the Premises Licence and that there were two instances of them trading beyond their licensing hours.**
- (d) The proposed DPS stated in an email of 3rd September 2025 that they had taken the underage sale seriously and that training on 'Challenge 25' would be given to staff. There was a visit by the Police/Licensing Authority on the 10th December 2025 and it was clear that this training had not taken place.**
- (e) Despite repeated requests, the name of the staff member that sold the alcohol to a minor was not disclosed until the review proceedings were commenced.**
- (f) A two-month suspension will allow time for the premises to embed the new conditions prior to sales of alcohol taking place.**
- (g) It is considered that the suspension and addition of conditions are justified,**

appropriate and proportionate and serve to promote the protection of children from harm and the prevention of crime and disorder licensing objectives.

- (h) Consideration has been given to all the powers available to the Licensing Authority under section 52 of the Act and concludes that the suspension and the addition of the conditions on the licence is both necessary and proportionate in the circumstances.**

(On conclusion of the first hearing Councillor M. Hanif gave his apologies and withdrew from the meeting.)
