1. Executive Summary

- 1.1 The budget for 2026/27 is £78,270 but the committee was £23,370 underspent at the end of 2025/26 (see Financial Implications 6.4). As a result, the total funds available for 2026/27 is £156,540. This has been committed in accordance with the budget table set out in Appendix 1.
- 1.2 Budget Overcommitted:
At the Committee meeting held on 11 May, the budget was found to be overcommitted. The budget therefore needs to be reviewed and reallocated in line with the funds available.
- 1.3 New Bids:
Bid £1,500 - Pendle United Cricket Club (Appendix 3).

2. Recommendations

For the reasons set out in this report, NELSON, BRIERFIELD & REEDLEY COMMITTEE is recommended to:

- 2.1 Note the budget as committed. See appendix 1.
- 2.2 Note the financial implications stipulated in paragraph 6:4.
- 2.3 Review the allocations agreed at the meeting held on 11 May and reallocate funds in accordance with the approved budget (see paragraphs 1.2 and Appendix 1).
- 2.4 Consider the new bid detailed in paragraph 1:3.

3. Information: the Rationale & Evidence for the Recommendations

3.1 To enable the committee to allocate its budget effectively and in line with financial regulations.

4. Link to Council Plan Priorities: (Providing High Quality Services and Facilities, Proud and Connected Communities and Places, Good Growth and Housing and Healthy Communities)

4.1 Providing High Quality Services and Facilities - this report shows the current budget position which enables Nelson, Brierfield and Reedley Committee to make informed decisions when allocating its money to schemes.

5. Implications (see Items 6 – 10)

6. Financial Implications

6.1 Awards can be made for schemes which are either revenue or capital in nature so there could be revenue consequences of capital schemes in terms of ongoing cost.

6.2 Schemes may incur additional charges for internal services, e.g. Engineers' costs in delivering the scheme.

6.3 Schemes should be completed and payment made by 31 March. Any slippage will need to be agreed by the Council in line with Financial Regulations.

6.4 The maximum amount that can be carried forward is £78,270, as this is capped at the equivalent of one year's budget. If the committee has more than £78,270 remaining unspent at the end of the year, the excess will need to be offset against the following year's budget.

7. Legal and Governance Implications

7.1 There are legal implications relating to some schemes in terms of necessary permissions, agreements and possible long-term liabilities and responsibilities.

8. Climate and Biodiversity Implications

8.1 There are no climate and biodiversity implications from the recommendations.

9. Human Resources Implications

9.1 There are no human resources implications from the recommendations.

10. Equality and Diversity Implications

10.1 There are no equality and diversity implications from the recommendations.
