1. Executive Summary

- 1.1 The budget for 2026/27 is £17,850 plus £9,897 carried forward from the previous year. Therefore, the total funds made available for 2026/27 is £27,747. This has been committed as per the budget table shown in appendix 1.

2. Recommendations

For the reasons set out in this report, BARROWFORD & WESTERN PARISHES COMMITTEE is recommended to:

- 2.1 Note the budget as committed. See appendix 1.
- 2.2 Note the financial implications stipulated in paragraph 6:4

3. Information: the Rationale & Evidence for the Recommendations

- 3.1 To enable the committee to allocate its budget effectively and in line with financial regulations.

4. Link to Council Plan Priorities: (Providing High Quality Services and Facilities, Proud and Connected Communities and Places, Good Growth and Housing and Healthy Communities)

- 4.1 Providing High Quality Services and Facilities - this report shows the current budget position which enables Barrowford and Western Parishes Committee to make informed decisions when allocating its money to schemes.

5. Implications (see Items 6 – 10)

6. Financial Implications

- 6.1 Awards can be made for schemes which are either revenue or capital in nature. Where there are ongoing revenue consequences of capital schemes, in terms of ongoing cost, the Committee must be satisfied that the applicant has the ability to fund these.
- 6.2 Schemes may incur additional charges for internal services, e.g. Engineers' costs in delivering the scheme, these must be factored into the scheme costs.
- 6.3 Schemes should be completed and payment made by 31 March. Any slippage will need to be agreed by the Council in line with Financial Regulations.
- 6.4 The maximum carry-forward figure is £17,850 as it is capped at the equivalent of 1 year's budget. If the committee have more than £17,850 unspent at the end of the year it will need to use the following year's budget to make up the difference.

7. Legal and Governance Implications

- 7.1 There are legal implications relating to some schemes in terms of necessary permissions, agreements and possible long-term liabilities and responsibilities.

8. Climate and Biodiversity Implications

- 8.1 There are no climate and biodiversity implications from the recommendations.
