Further to the correspondence of the 11th September 2026 reference SH in relation to Tree Preservation Order 3 2026. Land to the North of Greenhill, Kelbrook Road, Salterforth.

Please be advised that my client, Mr Nathan J Hudson of 22 Canal Street, Skipton, BD23 1DL, being the proprietor of the Land North of Greenhill, Kelbrook Road, Salterforth formally objects to Pendle Borough Council subjecting the land in question to statutory tree protection in the terms of Tree Preservation Order 3 2026.

In support of the objection. The Land to the North of Greenhill, Kelbrook Road, Salterforth Arboricultural Report October 2026 is included as evidence.

Should you have any questions in relation to the objection. Please do not hesitate to contact me.

I look forward to hearing from you in due course.

Yours sincerely

Daniel Bold
